

## YEAR 5 & 6 STUDENT REQUIREMENTS 2015

Dear Parents,

Please note the following personal items that your child will require this year.

**Exercise Books** All exercise books required by your child this year will be provided by the school free of cost to you.

**Miscellaneous Items** We request that you supply the following personal items. Students who do not have their own work items are less-productive and often interrupt class mates to borrow. This is not satisfactory in a class environment.

- ruler
- pencil sharpener
- glue stick
- highlighter
- scissors
- eraser
- coloured pens or 4 colour pen [6R only]
- HB pencils
- blue/black/red pens
- coloured pencils
- black fine line
- textas or roll-up crayons
- calculator [year 6 only]
- paint shirt [old, large size shirt]

Please be aware that extra basic items like pencils, pens, glue sticks, etc will be needed by your child throughout the year.

**Bring Your Own Technology** If your child has a wi-fi capable device [eg iPod Touch, iPad, etc] they will find this an extremely valuable and well-used resource for research and classwork. Students and parents must sign an acceptable use agreement [available from your child's teacher] to allow the use of these items in class. Please clearly label your child's device.

**Book Covers** Please cover exercise books with coloured contact or paper and clear contact/plastic. Label books with title and student name. Please ensure that your child does not cover their books with inappropriate pictures. Covering books not only protects them but also encourages pride in the presentation of work.

Students who do not cover their books within a reasonable period of time will be given paper sheets and asked to cover them during lunch breaks.

**Liquid Paper** Please note that students are not permitted to have liquid paper at school.

Regards,  
Year 5/6 Teachers
